Working Group on EMPLOYEE RATING

Problem:

To recommend to the Career Service Committee a system or systems for rating employees and for evaluating their on-the-job performance that can be immediately installed on an "experimental" basis; to recommend whether there should or should not be, in addition, a report containing an estimate by the supervisor of the employee's potentiality and recommendation for future assignment together with a statement by the employee of his preference for future assignment; to ensure that rating systems recommended can be integrated into a Career Service program; to recommend methods of approaching uniformity in rating standards and to ensure that ratings are responsive to job duties and responsibilities; to recommend procedures for use of the respective offices in handling employee ratings, to recommend procedures for issuance and notification of ratings, and for review and appeal techniques.
